| <p>Discussion (Including Relationship to other Council Actions)</p> <p>In 1985 the City entered into the initial operating agreement with Woods Park Tennis Corporation (WPTC) for seasonal operation of the Woods Park Tennis Center. This agreement allowed placement of air structures ("bubbles") over six courts. The air structures are owned by WPTC. The operating agreement was renewed in 1994, and in 2005. The Friends of Woods Tennis, Inc., a non-profit organization, formed in 2009, with the intent of taking over operations of the tennis center, and initiating planning and fund raising for future improvements. Anticipated improvements include replacement of the air structures with permanent buildings. Discussions regarding transitioning operation of the tennis center, and transferring the operating agreement from Woods Park Tennis Corporation to the Friends of Woods Tennis, Inc. have been in process over the last several months.</p> | Opponents                                      | Groups or Individuals<br><br>Basis of Opposition  |
